January 26, 2009

Dear Contributors,

I have donated my time to this organization in the form of tax preparation. I have followed the lead of the officer's and director's who generously contributed their time and energy to help the less fortunate people that this charity helps. The vast majority of the funds goes to charitable purposes. The expenditures for paper, postage, telephone and credit card fees are the only expenses charged. The officer's and director's have no compensation or fringe benefits.

Gather the Remnants has impacted on peoples' lives and I am proud that I have played a small part in its accomplishments.

Very truly yours,

William Posner, CPA

May your hearts rejoice because through your blessed contributions, we have managed to accomplish the below:

- 1- 118 graduated from universities (young men and women, children of widows).
- 2- 102 young women were married from the children of widows (The organization granted them their side of the contribution).
- 3- Blankets and mattresses were distributed due to harsh winter temperatures.
- 4- Fridges, stoves, and washing machines were distributed as well.
- 5- Support 300 families (\$45 monthly are given to them in Egyptian Pounds), which was raised to \$50.
- 6- The rest are given a small amount in Egyptian Pounds in addition to aiding needs such as clothes, meat, chickens, rice, and pasta.
- 7- The organization now serves 1,300 families of widows and orphans in Egypt and Upper Egypt.
- 8- In October 2018, I visited most of these families and distributed luxurious blankets to every family.
- 9- A new service was established in Sohag on the name of St. Shenouda the Archimandrite.
- 10- Because of inflation and the high prices, the monthly donation has been raised to \$50, which is equivalent to 900 Egyptian Pounds, it was increased by only \$5.
